

Every Woman Looking For a Tailored Suit Can Find What She Wants Here

Our buyer has just returned from his second trip this season to the New York market—a trip made necessary by our unprecedentedly large sales in Ready-to-Wear this fall—and while there secured a big assortment of entirely new and novel effects in Ladies' and Misses Tailored Suits, Coats, Dresses and Persian Waists. Late styles that are now being shown for the first time, and at prices much lower than prevailed earlier in the season.

Prices range from \$12, \$15, \$20, \$25, \$28.50, \$35 up to \$50. More than 600 suits now in stock and a full express wagon load to open today. A great many single sample suits were picked up on our buyer's recent trip to New York, which insures individuality in style.

Our alteration department—now in direct connection with our Ready-to-Wear department—is in charge of Mrs. Roach—a Ladies' tailor of wide experience, who has associated with her Mrs. Moore and Miss Hoover, also experts in this line.

In every way we have planned to make this the most helpful Ready-to-Wear Store in Central Kentucky. And, since it is the busiest, we must have succeeded.

Come in and see the new arrivals in Coats, Raincoats, Dresses, Tailored Suits, Separate Skirts, Waists, Party Dresses and Kimonos. You will be welcome whether you contemplate a purchase or not.

Diamond Edge Food Cutters

Notice that we say Food Cutters, not food macerators nor choppers, but Cutters. The Diamond Edge Food Cutter actually cuts the food as clean as a pair of scissors cuts paper.

The Diamond Edge Food Cutter is so carefully adjusted that the toughest tendons in meat are cut clean. A Diamond Edge Food Cutter turns with probably half the exertion required in other kinds as a result of this clean cutting principle. It cuts meat into sausage, shreds cocoanut, cuts alaw, also has a pulverizer attachment for making nut butter, grinding pepper, coffee, etc. The fastest cutter made. Let us show you.

WORSE THAN BULLETS.

Bullets have often caused less suffering to soldiers than eczema. L. W. Harriman, Burlington, Me., got in the army, and suffered, with, forty years. There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Allen's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only Constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and cleanses the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address: F. J. CHENEY & CO., Toledo, Ohio. Sold by Druggists. Take Allen's Family Pills for constipation.
